<b>Total for period</b>							<b>28</b>	<b>99.45%</b>

\* Bank Holiday Uplifted Service

It should be highlighted that the above data reflects actual delivery against the scheduled service but does not include additional service provided over the period. A further 5 return crossings were provided during the evening of 18<sup>th</sup> April to clear the backlog of traffic eastbound on the A374 from Trerulefoot roundabout as a result of the fatal RTA and road closure of the A38 near Tideford.
