TO: South East Cornwall Community Area Partnership

Dear South-East Cornwall CAP Members,

Cllr Linda Taylor, Leader of Cornwall Council, will be out and about again during May and June, to hear from residents across Cornwall.

She is really looking forward to meeting people from your local area and hearing from them about what's on their mind. We are also hoping to hear from them about our Council priorities which are 'how we can work with communities for a Carbon Neutral Cornwall, where everyone can start well, live well and age well'.

We will be promoting the events on our [Let's talk Cornwall](#) engagement platform, on [social media](#)

We would be grateful if you would help to promote your local event

- Posters will be sent by post to the Town Council to display, if you would like to promote your event sooner, we have attached the poster as a PDF for you to print off yourself
- We will promote the event on the Council's Facebook site and share the post(s) on the local Community Area Partnership (CAP) Facebook page, please could you repost our posts
- If possible please add a link to the Let's talk Cornwall page to your website:
<https://letstalk.cornwall.gov.uk/listening-to-you>

Please let [Beverly Hill](#) know if there is anything extra, we can do to help promote the event in your area.

We are holding one event in each CAP area. We are sorry if we aren't holding an event in your town. **We will be holding other engagement activities later in the year, when we will look to visit towns that are not included in this initial schedule of meetings.**

Please see the schedule of events below.

Venues for a couple of the events are still being confirmed and we will be able to share those details soon. Please visit <https://letstalk.cornwall.gov.uk/listening-to-you> for more information and updates.
