

# Liskeard Sector Neighbourhood Policing Teams Newsletter

August 2024

**Torpoint neighbourhood police were pleased to attend this year's Civic Parade and Service.**

**The whole event was a real credit to the organisers and those attending.** It was a real pleasure listening to the school choirs and hearing all of the outstanding achievements of various individuals and organisations. We certainly have a vibrant town with some outstanding residents.

**As part of #ResponsePolicingWeekDCP last month, we joined patrol officers in Saltash and Liskeard to get an insight into what a typical patrol shift is like,** and to shine a light on our patrol officers who all do a fantastic job to keep Cornwall one of the safest counties in the UK.

During the shadow patrol shift on Tuesday, we joined PC Hands, PC Jones, and colleagues.

During the shift, officers were called to emergency calls including domestic incidents, an alleged assault, and a safeguarding concern.

## **Police officers and staff in Devon and Cornwall can now request the help of therapy dogs for emotional support.**

It is part of a national scheme available at forces across the country called OK9, and has taken three years to set up. Handler Cathy Veale said the dogs are "non-judgemental", which helps the wellbeing team get people to open up and share what is bothering them. The dogs are owned by their handlers who cover all food and veterinary costs.

## Can you help our Specialist Operations team source some equipment for their training? 🚒

Getting quick access to a property can be vital for saving lives or securing evidence. They need unwanted composite or metal front doors, so they can practice door breaching techniques. These doors are significantly tougher than uPVC doors and require a different approach.

If you have a suitable door, please get in touch with Matt, by emailing:

17500@devonandcornwall.pnn.police.uk 📧

If it meets our needs, we'll arrange to come and collect it from you. Thank you 😊

## Safer Cornwall

**Torpoint neighbourhood police were pleased to attend this mornings Friends of Thanckes Park and Library event at Benodet Park.** The event was well attended, we had chance to meet and discuss all things Torpoint with many people. The team were assisted today by PC Levi Voyzey (pictured) who took time out of his busy schedule to assist us. Well done as always to the event organisers.

## Getting in touch.

We're always here if you need us – but if it's not an emergency (i.e. a crime isn't happening right now and no-one is in immediate danger) then reporting online will save you time and means we have all the information we need to respond appropriately.

Scan the QR code below to take you to our website home page and choose one of the blue boxes to find the form that's right for you.

There are situations which look like they should be police matters, but which are actually dealt with by other agencies, such as noisy neighbours, dog fouling, fly tipping and more. To avoid delays, always visit our website first to see if this is an issue which is more appropriately dealt with by another agency.
