Subject: Information: Stroke Association South West Involvement Network members wanted!
Attachments: SWIN Flyer.pdf; SWIN Poster.pdf

Hello!

We would be grateful if you could share this opportunity for **stroke survivors**, their **families** and **carers** and people at **risk of stroke** that may be in your networks.

With thanks and best wishes,

The Cornwall Emotional Support Service Team

South West Involvement Network members wanted!

At the Stroke Association we want to support people affected by stroke to be involved in discussions and decisions about stroke care and support in life after stroke.

To achieve this, we are creating a **South West Involvement Network** which will:

- Share involvement opportunities (from a range of sources, for example NHS projects), focussing on stroke care and support in life after stroke.
- Provide information about how to apply and learn about stroke specific projects.
- Provide opportunities to learn more about the stroke pathway.

Involving **stroke survivors**, of all ages in discussions and decisions about stroke care is essential for developing stroke services that meet the needs of people affected by stroke including their **families** and **carers**, people at **risk of stroke** and **communities**.

We are looking for people from across South West England, Hampshire and the Isle of Wight with **diverse experiences** and **backgrounds**, who can **share knowledge** gained from **lived experience** of stroke to join our network.

If you are interested in joining our network, know someone who would be or want to find out more information, please contact the Stroke Association's South West Engagement Team **via email**;

EngagementteamSouthWest@stroke.org.uk

South West Involvement Network

Are you, or do you support a stroke survivor?
We'd love to hear from you.

Rebuilding lives after stroke

Stroke
Association

Are you, or do you support a stroke survivor?

We'd love to hear from you

Are you interested in sharing your experiences to help shape stroke services and support in life after stroke across the South West, Hampshire and Isle of Wight?

Join our South West Involvement Network to hear about opportunities you can get involved in.

For more information, or to sign up, please contact
