Dear councillors and colleagues,

Community Area Partnerships (CAP) Online Survey 2024

The 12 Community Area Partnerships are now a full year into their role of bringing local organisations and people together to tackle the issues that matter to their communities. We are inviting all CAP representatives and regular participants to give us their views on the CAPs, by completing a short online survey. The link to the survey is here: <https://letstalk.cornwall.gov.uk/embeds/projects/20780/survey-tools/39602>

The survey will help assess how well the CAPs are operating and identify potential improvements. It will complement the discussions held at each AGM on this subject. We will report back on the results to CAPs and the CAP Chairs & Vice-Chairs Liaison Group.

The survey will be open until 31 October 2024. Thank you.
