Subject: FW: Wellbeing garden - Section 137 Funding

Dear Milly

I just wanted to say thank you for the Section 137 funding from Torpoint Town Council of £535.00.

I can confirm that we have purchased the following items with the funding: (Please see pictures below)

An additional bench
Extra gravel so that staff/patients can use the garden through the winter months
Roses and plants for the planters
4 Camellia plants

We will also be purchasing a pear tree and plum tree at the weekend (Best time to purchase/plant after the 1st Nov) which will be planted in behind the trellis with our crab apple trees.

You may have also seen on social media that the Wellbeing Garden was nominated for the NHS Forests Green Space for Health "Collaborative Green Space Projects Award and I am delighted to announce that we won the category. Please see below a picture of the award. We have tagged Torpoint council into the post.
