Subject: Bonfire and fireworks thank you.

Good morning Milly,

I am emailing on behalf of the 2nd Torpoint scout group to extend our thanks to the Town Council for permitting and assisting in the scout group in organising the bonfire and fireworks display on Friday the 1st of November at the the lawns. Notable thanks need to be extended to Councillor John Tivnan, for his incredible generosity in donating £900 from the community chest fund. Also, very generous donations from the Torpoint Street market, the Torpoint town partnership and the Torpoint community cinema ensured that this event could take place.

Also a very special thanks need to be extended to the Torpoint Ops team, headed by Phil Griffiths, without his massive input in managing the paperwork side of the event it would have not happened. The teams help in setting up and clearing away after the event and supplying safety equipment was invaluable.

I need to extend a personal thanks to Robbie Ryder of Millbrook who facilitated the use of the turf cutter that was supplied by Southwest hire and sale, free of charge.

We would also like the thank Kelly Brown and James Franklin for their spectacular fire display.

Also this event would not have been as spectacular as it was without Celebration Pyrotechnics. The display was well received by all who attended.

The Torpoint Lions were also key volunteers on the night, their help was greatly appreciated.

We would also like to thank the enthusiastic volunteers who helped put the event together, and built the bonfire and helped clear up at the end of a busy day.

And one final thank you needs to be extended to the people of Torpoint for attending the event and their generous donations. They have ensured we can look forward to planning next years event.

Kind regards,

Gareth Foster
Scout Troop leader,
2nd Torpoint scout Group.
