Dear all,

We hope this message finds you well.

Working in Torpoint for the last 8 months has been an absolute joy, with a rich history of families living in the area for years, filled with inspiration and warmth, its beautiful area and vibrant young people. Yet, amidst this joy lies a tinge of sadness — our remarkable youth feel that Torpoint has been overlooked, a hidden gem on the coast and a gateway to Cornwall, often just driven straight through, yearning to be discovered and celebrated.

In response to this, a brilliant idea has developed with our Youth Group! We envision hosting a heartfelt event where the cherished members and golden agers of the Torpoint and Rame community can share their captivating stories and treasured memories of life in Torpoint and Cornwall, as well as the positive changes that have been made. We're excited at the thought of inviting everyone to share their old photographs and stories, bringing history to life in a way that only personal anecdotes can. In return, we will create an enchanting atmosphere filled with delightful homemade high tea treats, the nostalgic melodies of the golden age of jazz, big bands, and the timeless magic of The Rat Pack.

This will also be an opportunity to thank Torpoint Town Council members and for our Mini-Journalist project to shine. They will also be showcasing their photographs taken from around the town, and if anyone is willing, undertaking short interviews during the event about our community's personal experiences of living in Torpoint through the years.

Let's join in illuminating the beauty of Torpoint, forging connections between generations and ensuring that its rich heritage is honoured and cherished. Together, we can shine a light on this wonderful town and show others what a treasure it truly can be!

Warm regards,

Natalie, Rachael and the Torpoint Youth Group
