Subject: The Valley newsletter 2025

Information Classification: CONTROLLED

Good morning,

The next issue of *The Valley* newsletter is due out in April 2025, and I am seeking relevant news, updates and events to feature.

This newsletter will be printed, with 1,000 copies being distributed throughout the Valley, as well as being available online.

If you have any information you'd like to be considered for inclusion, please send to me, along with high-res images and logos (if required) by **Monday 3 February** (if you could let me know in advance that you have something to send me, that will help me to plan, thank you).

This issue will include a spread dedicated to celebrating 30 years of the Tamar Valley National Landscape/AONB. If you have something you'd like to contribute to this spread, with any projects you've been involved with us over the past 30 years, please send this through, too.

The events section will include events from **April onwards**.

Word limits for brief updates - 120 words, longer articles 300 words.

Many thanks for your support.

With kind regards,

Charlotte
