13.02.25 Update from PC Hayley Gething

The rise in theft offences this year is largely due to one incident where a male was located immediately after by police and is now back in prison. Harvey Street remains a priority, I've managed to change some shifts and get some protected time to patrol the area. My hope here is to build more intelligence, deter offenders and be close on hand to improve response times should anything occur. This is on an ad hoc basis at the moment, although I've again reminded response sergeants of Harvey Street remaining a priority and officers have been briefed to be in the area as often as they can. I held a multi-agency meeting about this yesterday so professionals remain on the same page.
