Dear All,

I am forwarding below the latest Transport Focus News letter.

I was informed that last week the 08.26 ex Torpoint Ferry (0.725 ex Cremyll to Royal Parade No.70 Bus did not run due to 'a breakdown' on Tuesday 28th January, and that on Thursday 30th January the 13.45 No 75 Torpoint Ferry - Liskeard Bus also did not run due to 'operational issues'. I will let you know if I receive any further information about these cancellations.

I have to date received two very strong letters of support from local parish councils for our RPPTUG Proposals to Improve our Local Bus Services in connection with the the £10 million Government Bus Service Improvement Funding recently awarded to

Cornwall Council. I will hopefully await other letters of support before officially submitting the proposals to Cornwall Council,

We hope to hold an on line RPPTUG Sub Committee meeting in the very near future to discuss questions about our local bus services, that we would like to put to prospective candidates for Cornwall Councillors that will taking part in the local elections in May this year. This would be similar to the questions/statement that we put to the parliamentary candidates prior to the July 4th 2024 General Election. Any suggestions will of course be welcome,

Best regards.

Geoff.
