Subject: Consultation - Strategic Implementation Plan (SIP) from Peninsula Transport sub-national transport body

Information Classification: PUBLIC

TO: South East Cornwall Community Area Partnership

Dear All

Please see information and links below in relation to the Peninsula Transport Strategic Implementation Plan which is open for consultation (closing date of 3rd March):

Please take a moment to read the Strategic Implementation Plan (SIP) from Peninsula Transport sub-national transport body (STB); and complete our [short survey](#).

The SIP is part of the Peninsula Transport Strategy, focusing on:

- Easier Journeys
- Going Electric
- A Connected Peninsula
- Completing the Transport Network

Working with our partners, Peninsula Transport aims to improve connectivity, resilience, and sustainability across the region; which in turn will deliver economic, environmental and social improvements that aim to improve the quality of life in the Peninsula.

While we do not directly deliver projects, we influence and advocate investment in freight, rail and road schemes, transport infrastructure, and Net Zero goals.

Your feedback is invaluable in shaping these efforts. Please submit your response by **3rd March 2025**.

With kind regards

Lisa
