

February 2025

Torpoint Library and Community Hub

Friendship and Musical Memory Group.

This group has got bigger and bigger, with all ages attending, singing and dancing. Some people have dementia and they love the dancing! We have around 20 people including some carers coming along. The Tamara Care Home have asked if they can bring along some residents!

Thank you!

This February we were privileged to welcome 4,000 people and children through the door!!

What a great Health & Wellbeing Event on the 27th February!

50 people came along to the library and took part in a Laughter Workshop, Sound Bath, meditation and had Physio advice.

Health and Wellbeing session, journaling group, writing and thinking positively!

Served over 240 free bowls of soup

We welcomed families from Afghanistan to the Library!

Working with the Resettlement Team at Cornwall Council, we welcomed 5 families to the library. We signed the families up with a library card and using a translator, they were given demonstrations on how to use the computers. They were introduced to the facilities at the Library and Community Hub. The Memory and Musical group were singing while the families were in the library and since then one young Afghan lady has attended the singing group and the art group!

Free Back Garden Tree Giveaway from Forest for Cornwall! Over 100 trees were given away to local residents!
